

# MEET THE NEW COUNSELOR

## WELCOME BACK TO SCHOOL!

My name is Briana Toledo, and I am excited to join Andrea Castillo Preparatory Academy this year as the new school counselor!

In this role, my primary goal is to ensure that each student feels safe, supported, and valued. I am here to provide emotional support, help students navigate challenges, and promote their overall well-being.

I believe that strong partnerships between home and school are essential for the success of our students. I look forward to getting to know each of you and learning more about individual student needs. Please feel free to reach out if you have any questions or if there's anything specific you'd like me to know about your child.

I am looking forward to a fantastic year ahead and am excited to get to know each of your wonderful children! Together, we can create an environment where every child feels supported, understood, and encouraged to reach their full potential. Let's work together to make this a year full of growth, learning, and joy!
